Shipping fees subject to change without notice.

Figuring the total cost of your order

Simply add the total cost of the boxes you're ordering with the total cost of the corresponding shipping charges.

If you're faxing or mailing the order use the form on page 2 of this document.

If you're also ordering from the [Products Order Form](#), remember to add that total cost to the total of gift packages you've ordered and enclose the form.

Please indicate credit card, account number expiration date and 3-digit validation code when charging. Remember to include your signature, address and phone number.
